25/01/2026 12:38:29	Yes	The community council works tirelessly in their efforts to improve the town and services, they are the voice of the people and we appreciate all they do for our little town.

26/01/2026 21:42:44	No	The council is pointless. What do you actually do for the town besides give out grants that aren't from you?
26/01/2026 22:19:18	No	Unfortunately the Council has massively let down the area ... From Springfest to offices somehow going to transform the town. The multi-storey carpark in Abertillery the lift is not working and you have to walk right around the top just to get down the side.

29/01/2026 07:29:15	No	This statement does not make much sense. Furthermore, the use of words such as "strive", "endeavour" & "aspire" do not suggest an ambitious or confident Council
30/01/2026 09:27:43	No	Never see local councillors. Wouldn't have any idea what they do for the community. Do not even know who the community councillors are. Councillors need to be more visible All I see is how run down the community is. Cwmtillery is like a forgotten ward. Every town had Christmas lights from Abertillery, Six Bells, Aberbeeg and Llanhilleth yet nothing for Cwmtillery. Couldn't even get a rubbish bin installed when there is no bin on the whole walk up to the lakes which attracts a lot of footfall. If a bin had been installed people would pick up rubbish left by others and put it in the bin rather than leave it on the road.
