What are the aims of your project?

The aim of this project is to offer free swim sessions for the community. With the rising cost of living crisis families might not be able to use the swimming pool. As swimming is a life skill, I think it's important that all children get the opportunity. We have recently reopened family fun swim sessions and would like to be able to offer free sessions to those who would like to attend but may be facing financial pressures

How does your project benefit the Abertillery and Llanhilleth area or its residents?

By offering free family swimming sessions throughout the month to the local community. By offering these swim sessions families can enjoy a free-swimming session at Abertillery sports centre.

Hi Erika

Just based on the £245 figure. A family swimming session includes 2x adults 2x kids this would be £15 total.

Based on the £245 it would work out 16 family swimming vouchers. I would happily up that to 25 family swimming vouchers if funding is granted.

If you would like we could offer a 1 adult 2x kids to up the swimming vouchers I'm really flexible with this.

Many thanks
