What would this funding be used for?

Please be as precise as possible

We are seeking funding to support transport costs for a range of educational activities and off-site visits that enrich the learning experiences of pupils across Abertillery Learning Community. This funding will help ensure that all learners have the opportunity to participate in curriculum-enhancing activities while also supporting improved attendance in school. While we are committed to offering a wide range of educational visits and enrichment activities, the cost of transport remains a barrier for both the school and many families.

This funding will help support a wide range of experiences including:

- Curriculum-based trips (e.g. museums, historical sites)
- Cultural and arts experiences (e.g. theatre trips)
- Outdoor learning opportunities (e.g., environmental and fieldwork visits)
- Careers and further education visits (Universities & colleges)
- Sporting competitions, fixtures and tournaments
- Swimming, cricket and tennis activities

- Sports festivals
- Transition activities

How does your project benefit the Abertillery and Llanhilleth area and its residents?

Abertillery Learning Community serves a diverse population, including families experiencing financial hardship. Providing the children in our community access to educational visits and real-world experiences, deepens understanding, improves engagement and raises aspirations.

Exposure to new environments and wider opportunities inspires learners and positively influences family expectations and ambitions. Participation in sporting activities promotes physical health and mental wellbeing, as well as being part of a team, developing friendships, respect, communication skills and collective achievement. The school and its learners have the opportunity to build relationships with local organisations and other schools, strengthening community identity and pride.

Enrichment opportunities help make school a positive and rewarding environment, particularly for pupils who may otherwise feel disengaged, while also having a wider positive impact on their families by improving wellbeing, motivation, and attitudes towards education.

How many residents of our wards do you believe will benefit from this project?

ALC Roseheyworth Road campus has over 150 learners on roll.

What is the total cost of your project?

£

Please detail any project costs which will be met by your group

Please include details of other grant funding bids you have applied for or received for this project

Any costs exceeding the level of funding potentially awarded will be met through the school budget. Across all ALC campuses, transport-related expenditure currently exceeds £18,000 per year, demonstrating both the scale of need and the school's ongoing commitment to maintaining access to these opportunities.

To fund the cost of transport for
out end of year school trip.
3 coaches @ £500 each (Husky's
Coaches).

How does your project benefit the Abertillery and Llanhilleth area and its residents?

We would be able to lower the cost of the trip and reduce the financial burden for all families in our school. This will enable all children to have the opportunity to take part in the visit, enriching their learning experiences. It's important that financial status isn't a barrier to our children's education.

How many residents of our wards do you believe will benefit from this project?
