26/27 Community Budget is £3000

All these groups are Community Engagement groups, that is they are run separately to the main TiB contract.

As a reminder, a group who has taken over an existing tub from our main contract has an allowance of £75 per tub per year. If it's a new tub it costs £150 to install the new tub but in the following years it becomes £75 to run it from year to year.

2x new planters placed outside Dutch Courgae tattoo shop in High St Abertillery (opposite the bus stops) as per PlaCE meeting on 8/9/25
