

To who this may concern,

I hope you're well.

My name is [REDACTED] and I live in Merthyr Tydfil and I'm currently developing a fan-curated exhibition celebrating the legacy of Black Sabbath and Ozzy Osbourne, and I wanted to reach out to explore whether this could be something of interest to Abertillery.

Over many years I have built a personal collection of Black Sabbath and Ozzy Osbourne memorabilia, including signed items, collectables, photography, original artwork and rare pieces. I am now bringing these together alongside contributions from artists, creators and official collaborations to create a unique exhibition experience celebrating the impact and influence of Ozzy Osbourne and Black Sabbath.

The project has already started to gain interest from artists and companies connected to Ozzy's legacy, including creators who produced tribute artwork in response to the "Back to the Beginning" celebration and other sought-after original pieces. The aim is to bring these fan-created works, official collaborations and personal archive pieces together in one place — something that, to my knowledge, has never been presented in this way before.

I believe Abertillery would be a hugely meaningful location for this exhibition due to the presence of the Ozzy Osbourne mural — a unique connection point for fans and a potential destination for visitors travelling to celebrate his legacy.

My vision is to create an exhibition launch event in Abertillery that could attract Black Sabbath and Ozzy fans, artists, collectors and influential figures, creating an opportunity for local engagement, media attention and increased visitor footfall for the area.

I would love to explore whether there may be support available through the council, whether that is advice, connections, potential funding opportunities or assistance identifying a suitable venue/building to host the exhibition.

I would appreciate the opportunity to have a conversation and share more about the project, the collection and the vision for bringing this celebration to Abertillery.

Thank you for your time and I look forward to hearing from you.

Kind regards,
