8. This policy refers to the titles of committees and to the title of training modules delivered by, or through, One Voice Wales as of November 2025. This policy shall remain in force if the title of a committee changes but its duties and responsibilities remain broadly similar. This policy shall also remain in force if the title of a training module changes, and/or it is delivered by a different training provider, but its content remains broadly similar.
9. Training Needs - It is essential that councillors identify what training they require (for example, Local Government Finance if they are on a finance committee) and receive adequate training to understand the role to which they have been elected, enabling them to undertake their

role and ensuring that they are aware of their responsibilities when undertaking their role as a councillor. Training enables councillors to carry out their duties to the best of their ability and be kept up to date with all current legislation. The costs associated with the Councillor Training Programme will be met from the existing ALCC budget provision. One Voice Wales will invoice ALCC directly and anyone attending the training course will get their certificate emailed to them after completion.

Staff training will be identified by the Clerk through the recruitment and annual appraisal processes.

When One Voice Wales releases a list of available training courses and dates, officers will email it to councillors. It is the responsibility of each individual councillor to request a date to attend. Once a place has been confirmed, an email with the details will be sent out. Another email with a link to join the meeting will be sent 24 hours before the course starts.

If you aren't able to attend because of unforeseen circumstances, you must contact the Clerk as soon as possible. It may be possible to re-arrange. Failure to attend without prior notification (except in exceptional circumstances, such as sickness or a domestic emergency) will result in the councillor being charged for the course. Currently, this is £65.00 (for non-members of One Voice Wales).

10. Training courses from providers other than One Voice Wales may also be available and will be shared with councillors and staff.

Training Plan

It is the objective of Abertillery and Llanhilleth Community Council to consider how training and development needs are identified and reflected in the training plan. All councillors will be offered new councillor induction training plus modules 1-10 as shown in the training policy. Priority will be given to the training requirements identified in points 2,3 and 4 of this policy. Additional training may be provided if a need/gap is identified for development. For example, if Council decides to organise a community event for the first time, a clear need may be for a councillor or staff member to attend health and safety or community engagement training. There is a limited budget for training and this needs to be balanced with the overall needs to support councillors and staff.

Please see **Appendix B** for the Councillor Training Plan and **Appendix C** for the Staff Training Plan.
