Good afternoon Claire

Council met last night to discuss the Council Grant application on behalf of Six Bells Regeneration for £3000 to fund outdoor seating, soft play equipment and Pilate mats. In light of the limited funding pot in the Council Grant budget line, Council felt that the grant may be better suited under the Leisure and Tourism Committee's, Loneliness Project. This means that the grant will be discussed at the next Leisure and Tourism meeting (date TBC).

Before the meeting takes place, can you please give more information on some concerns raised by Councillors.

- Is there wheelchair access to the outside area?
- Is the outside area also used by the café operating from the building?
- Will the equipment be available for anyone visiting to use or used only at specific times when groups are on?

Please get this information to us as soon as possible so that the Committee have all the information needed to make an informed decision.

Good afternoon

Thank you your reply
With regards to the following

- Is there wheelchair access to the outside area?

-

There is wheel chair access through the building
and outside and this will continue with the
renovation

- Is the outside area also used by the café operating from the building?

the outside area will be avoidable to everyone using the coffee and to anyone attending the groups

- Will the equipment be available for anyone visiting to use or used only at specific times when groups are on?

-

The equipment will be used on days where the groups are so we can manage staffing and monitor the
number of people attending
this could change for example the soft play
could be used more frequently

Hope this clarifies the points raised

Many thanks

Good afternoon Erika,

Thank you for your email which explained the reasoning behind the grant not being awarded(yet !).

The club would really appreciate receiving the grant prior to next April as we normally book all six trips around the beginning of March thus being able to book at a reduced price for the block booking.

We look forward to hearing from you some time in the near future to discover if we have been successful in being granted some or all of the grant we asked for.

Grants – Application Form

Please specify which grant you are applying for:

Council Grant	
Loneliness Project Grant	
Christmas Lighting Grant	✓
School Transport Grant	

Organisation Name	Swffryd Community Centre
Organisation Type <i>Provide your registered charity number, if applicable</i>	Registered Charity Number 524316 (September 1963)
Organisation Address <i>If your organisation is not based in one premises, please state which areas you cover</i>	Correspondence Cartref Rectory Road Villas, Swffryd, Blaenau-Gwent NP23 5DU
Grant Amount Request	£ 1345.03.

What would this funding be used for?

Please be as precise as possible

We had security concerns earlier this year and found that our Xmas Tree was obstructing the view of CCTV activities and consequently we had the tree removed which cost the Centre £750.

Our wider Community was disappointed, and we explained the reasons for its removal and assured them we would be planning a replacement of this item and some of our other displays needed replacing.

We involved our great team of volunteers in the issue and how we could take this forward.

Collectively they came up with a novel solution for a replacement updating of other displays we are now in the process of taking this forward

How does your project benefit the Abertillery and Llanhilleth area and its residents?

We have had some form of Xmas Displays at Swffryd since the 80's. It began with the Urban Council providing what was then acceptable- the traditional Xmas Tree. In the early days it was beset with vandalism and the Community began to become involved. On re-organisation the local council then changed its policy to centralising Xmas light displays and funding within a Ward; a policy that omitted peripheral communities.

Swffryd has a very resilient Community and became actively involved with the provision of Xmas Lights displays and raising the funds for them since the late 80's which has evolved from the traditional tree to a variety of displays that considers all aspects of the traditional and modern Christmas story and in the process have been cheered on by our Community and those who travel through.

When The Council introduced a annual grant for Xmas lights to all communities this has been gratefully received the support has been broadcasted throughout and indeed Council Members have joined with us on some occasions.

This community lies at the southernmost edge of both Blaenau Gwent and the ALCC area. It has a NP11 5 Caerphilly postcode which has caused confusion among statutory bodies and the public over the years.

Swffryd is a proud community and sees itself as this gateway to Blaenau-Gwent and the Ward of ALCC and shouts this out and celebrates at Christmas with the lighting display.

We have members at the Community Centre from Pant Side, Oakdale, New bridge; with our close neighbours of Crumlin, Hafodyrynys, Llanhilleth and Brynithel who regularly attend and also beat the drums of praise for us, not only at Christmas but throughout the year.

How many residents of our wards do you believe will benefit from this project?

It is difficult to provide such a figure but when you consider that population at Swffryd, those that travel in from other communities, those that travel through as this is the main bus route from the Eastern A472 and Bottom A467 roads; it must in the thousands.

What is the total cost of your project?

£1,345.03

Please detail any project costs which will be met by your group

Please include details of other grant funding bids you have applied for or received for this project

In addition to the above costs for updating and remodelling our lights this year. We provide on an annual basis all the Electricity, the PAT inspections and the volunteer labour which makes all this possible.

Good morning Lyn

We can certainly put an order in for you and the cost would come out of your Christmas lighting grant budget, as we don't have a separate budget line for them. If you're happy to proceed, I can place an order for you. You have currently spent £393.22 out of a budget of £2376.02, leaving a balance of £1982.80

The cost for 50 lanterns is £121.50

Kind Regards | Cofion cynnes

Hi, Erika,

Yes, it's that time of year again!

We always appreciate the generosity of the Council in providing 50 lanterns for the children at our Carol Service, and hope that we can benefit this year too.

Best regards

Re: Abertillery & Llanhilleth Community Council: Grant application

1. The latest bank statement, included with the application, includes £1,000 funding we have sourced for St. Illtyd's School and the repair or replacement of its electric piano.
2. Also included, Council's quote for lanterns
