What are the aims of the group or project?

We are looking to run an arts and crafts after school club. Roseheyworth Campus has a very high number of children who enjoy arts and crafts and the PTFA would like to run this. We are looking to run the club once a week for as long as we possibly can. We would like to apply for the grant to supply us with arts and craft supplies along with refreshments for the children.

How does the group / project benefit the Abertillery and Llanhilleth area or its residents? This would allow the children of the school to mix with each other bettering their mental health and taking part in activities together without the use of technology. It also helps out parents of the area allowing their children to join a club that will be of minimal cost to them.
