What are the aims of your project? The over 50s club has a membership of 30, the members are mainly female and meet once a week on Thursday evenings. Most of the members live on their own and the meetings are their only social activity. Without meeting with like minded people they would feel lonely and isolated lives. During the summer months we run six coach trips to enable those who cannot holiday to enjoy a day away.

How does your project benefit the Abertillery and Llanhilleth area or its residents? Running the club and organising day trips for the members helps to combat loneliness and isolation and helps with the members mental wellbeing.
