What are the aims of your project?

LMI is a vibrant hub, working to tackle the effects of poverty, deprivation & isolation within our community. Our children's centre CLWB LLAN provides year round opportunities for up to 200 children and young people including: after-school clubs, play-therapy, CAMHS, a full-programme of holiday activities during every school holiday (plus breakfasts and lunches to tackle holiday hunger.) We are requesting a grant of £1,000 to provide a Christmas Party and presents for the children of Llanhilleth. The party will take place at Llanhilleth Institute in the lead up to Christmas and will include food, face painting, music, dance and other activities as well as a visit from Father Christmas.

How does your project benefit the Abertillery and Llanhilleth area or its residents?

Llanhilleth Ward is in the top 10-20% on the Welsh Index of Multiple Deprivations & the top 10% for poor health & employment. Poor transport links add to families being particularly

isolated and excluded from the special and memorable Christmas events that take place in larger towns & cities. We are hoping that the Community Council will partner with us in making some special Christmas memories for the children of Llanhilleth. The contribution we are requesting from ALCC would cover the costly material items required, while Llanhilleth Institute would meet the costs of staffing, overheads and publicity and support local volunteers to engage in providing a wonderful experience for local disadvantaged children.
